About This Game

Bug Battle Game is a simple top down shooter game.

Players shoot at animated bugs that are spawned by a boss crawling on top of the screen. Once a specific amount of baby bugs are killed, the player is then able to damage the boss bug and level up.

Player can earn lives by surviving a set amount of time on each level without being hit by an attacking baby bug.

At present there are 30 levels of bad bugs that must be killed to win the game.

Player loses points if a ladybug or butterfly is hit.

Features:

Bugs are based on real insects and arachnids.
